DOCTORS ENDORSE

Newbro's Herpicide.

When a doctor endorses a preparation it means more than an ordinary testimonial. His opinion is always that of the professional man devoted to the welfare of the people.

Dr. J. J. Bond, Covington, Tenn., says: "I feel it my duty to write this for the benefit of those suffering from dandruff. In the average case a few applications of Newbro's Herpicide will remove all dandruff. It is advisable to continue its use for several weeks."

The words of J. J. Bond, M. D., No. 2 Berrough Place, Cor. Hollis St., Boston, Mass., are not less enthusiastic. "I can only speak in praise of Newbro's Herpicide. It is all that is claimed and perhaps more. Herpicide not only cleanses the scalp but brightens the hair, gives it life and makes it soft."

Dr. T. A. Moore, Duncan, Ark., writes of this experience: "My scalp was in places covered by patches of dry, scaly material and the itching was incessant. Since using Herpicide all these evils have disappeared and my hair is soft, smooth and growing. Hair has grown on spots before but thinly covered."

Newbro's Herpicide is the original remedy to kill the dandruff germ and stop falling hair. The terrible itching which goes with dandruff is allayed almost at once.

Herpicide is for sale at Drug Stores and one dollar size bottles are guaranteed. Applications may be obtained at the leading barber shops. Be sure you get genuine Herpicide. SUFFERED ALL NIGHT LONG

Painful Experience of Mrs. Stephens. Husband Tries in Vain to Obtain Relief

Pontotoc, Miss.—"All night long," says Mrs. P. G. Stephens of this place, "I would suffer with my back, and I had such dragging down pains I could not stand it to walk or ride, for it would put me in bed."

My health had been bad for two years. My husband got the best doctor that he knew, but their medicine did me no good.

I used Cardui, the woman's tonic, and it put me on my feet again. I am feeling as well as I did when I was 15 years old.

I used about 7 bottles in all, and Cardui has helped me more than anything that I used.

I took lots of other medicines, but they did me no good.

As long as I live, I won't be without Cardui in the house.

As a remedy for weak, tired, worn-out women, who suffer from any of the aches and pains caused by womanly troubles, Cardui has been proven safe and reliable.

Composed of gentle-acting herb ingredients, its action is mild and natural, and it has no bad after-effects. It is therefore harmless for young or old.

It has helped others and should certainly help you, too.

Try it.

Tells Consumptives How He Got Well

Tuberculosis is said to be curable by simply suffering in the open air and taking an abundance of fresh eggs and milk. Undoubtedly, some persons are benefited in this way; but the appropriate remedy for Consumption is Eckman's Alternative. Do all you possibly can to add to strength and increase weight, eat wholesome, nourishing food, and breathe the cleanest, purest air—then, to the sensible things of right living, add the tonic and curative effects of Eckman's Alternative. Read what it did in this case.

605 West Street, Wilmington, Del. "Gentlemen: In January, 1908, I was taken with hemorrhages of the lungs. My physician, one of the leading practitioners, said that it was lung trouble. I took eggs and milk in quantities, but got very weak, and I kept on working in the store. The doctors said I would not gain in weight as long as I stayed in the store, but I slept on working and prayed each day that I might get well. I believe my prayers were answered, for Mr. C. A. Lipin, not far from my home, in the U. S. Department Store, 304 to 314 Market street, Wilmington, Del., had learned of a remedy called Eckman's Alternative and had done great good, and upon his recommendation I began taking it at once. This was about June, 1909. I continued faithfully, using no other remedy, and finally noticed the clearing of the lungs, which appeared to be old chunks of blood coming up. I now have no trouble, and my lungs are firmly fixed. Eckman's Alternative saved my life. I sent my spittle later to the State Board of Health to be examined for tuberculous bacilli, and none were found.

"My mother died from Consumption when I was about two years old. I make this statement so that others may learn of the wonderful merits of Eckman's Alternative. I regard my recovery as a miracle, and I am now a healthy man. Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in all the system. Does not contain poisons, opiates or habit-forming drugs. For sale by Kelly & Pollard, Knoblauch Drug Co., People's Drug Store, and other leading druggists. Ask for book-let of cured cases and write to Eckman Laboratories, Philadelphia, Pa., for additional evidence.
